Mrs Conner may be interested in coming on as a PTA board member next year. The school board will allow 5 school days to be used as vacation during the school year. Attendance regulations will be strictly enforced. New projects include purchasing a new curtain for the stage and helping ready the new Extend Center breezeway and office spaces.

c) Teacher Reports: Stefanie Hogge

The October treats were much appreciated. "The Lion King," presented by Mr. Thompson needs set volunteers.

d) Walkathon: Sabrina Brown

The Walk-a-Thon fell short of its goal by \$1100. Consider pushing the Kroger Community Rewards Program to help make up for the shortage.
